INSTRUCTIONS: Fill-in the form electronically, print it, sign it and mail it to:

ATTN: Manager, DOE Packaging Certification Program
U.S. Department of Energy
Environmental Management
EM-33, CLV-2047
1000 Independence Avenue, SW
Washington, D.C. 20585

For Offsite Safety, DOE Order 460.1C, requires each entity and contractor that offers for transportation or transports radioactive material in a Type B or fissile material packaging certified by the DOE Headquarters Certifying Official (HCO) or the U.S. Nuclear Regulatory Commission (NRC), to --

1. Meet the conditions specified in the Certificate of Compliance (CoC) for the package issued by the HCO or NRC and
2. Register in writing with the HCO prior to use.

I certify that I have met the conditions specified in the package certificate, and I am submitting this letter to register with DOE-HCO.

Signature:_____ Date:_____
