DIRECTOR

OFFICE OF PACKAGING AND TRANSPORTATION

FROM:

MONICA C. REGALBUTO

ASSISTANT SECRETARY

FOR ENVIRONMENTAL MANAGEMENT

SUBJECT:

Delegation of Safety Authorities for Packaging and  
Transportation

This memorandum serves as your delegation of Headquarters Certifying Official authorities listed in the Department of Energy (DOE) Order 460.1C, *Packaging and Transportation Safety* (as amended). This delegation is made in accordance with the Office of Environmental Management (EM) Standing Operating Policy and Procedure # 44, *Environmental Management Process for Delegation of Safety Authorities*.

Designated authorities assigned through DOE Directives are established to ensure objective and consistent decision making by appropriate levels of line management. Decisions and associated actions must be consistent with the policy and goals of this organization. If you have any questions in executing your authorities, I encourage you to seek input from me before you take an action or make a decision.

Our records show that you completed Senior Technical Safety Manager training on July 5, 2013, and completed Nuclear Executive Leadership Training on August 21, 2015.

Unless otherwise specified, none of these authorities may be re-delegated without my prior approval. I am willing to consider further delegations based upon review of a specific delegation plan that describes how each authority or like authorities can be carried out while maintaining intended objectivity and consistency with the EM program and DOE policies and goals.

This delegation will remain in effect until terminated by this office.

If you have any questions, please contact me or Mr. Frank Marcinowski, Associate Principal Deputy Assistant Secretary for Regulatory and Policy Affairs, at (202) 586-0370.
