Dear Dr. James M. Shuler,

As your August 03 2016 letter requested, Department of Energy has been registered as a user of IAEA Certificate Competent Authority USA/0401/B(U)F-96 for the JMS-87Y-18.5T. This certificate, which revalidates the Japan Certificate of Competent Authority No.111 authorizes the transport of the package from the point of entry to final destination in the United States, from point of Origin in the United States to the point of exit, and through the United States.

A copy of the certificate is enclosed. All future revisions of the certificate will be forwarded to Department of Energy at the email address.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard W. Boyle".

Richard W. Boyle, Chief
Radioactive Materials Branch
Office of Hazardous Materials Technology
