Washington, D.C. 20590

FEB 24 1999

Mr. Michael Wangler  
Headquarters Certifying Official  
Office of Site Operations, EM-70  
U.S. Department of Energy  
Washington, DC 20585

Dear Mr. Wangler:

As your September 23, 1998 letter requested, the U.S. Department of Energy has been registered as a user of IAEA Certificate of Competent Authority USA/0553/B(U)-85 for the transportation of the AECL-CRL package. This certificate, which revalidates the Canadian Certificate of Approval No. CDN/2061/B(U)-85, authorizes the transport of the package from the point of entry to final destination within the United States, from point of origin in the United States to point of exit, and through the United States.

A copy of the certificate is enclosed. All future revisions of the certificate will be forwarded to the U.S. Department of Energy at the above address.

Sincerely,

Richard W. Boyle, Chief  
Radioactive Materials Branch  
Office of Hazardous Materials  
Technology

Enclosure
